

BETGATE-K

LIVE BETTING KIOSK

Robust stylish kiosk for demanding environments

BETGATE-K

LIVE BETTING KIOSK

BETGATE-K "LIVE" BETTING KIOSK SOLUTION

LIVE -service version cashier software featuring a stylish Kiosk, secure touch-screen and built with excellence in mind.

In partnership with:
Europe's No1 manufacture of Kiosk, Betting exchange & Major I gaming providers.

Betgate-K is a robust but stylish Kiosk which is perfect for High traffic, demanding environments, it is a smart blend of stainless steel, simplicity and function. Its rugged indoor design allows it to be placed in most public access areas, e.g. poker clubs, on board ships, casino, betting shops, high traffic locations.

Operators can increase their sports betting volume by placing the devices in locations of their choice, examples such as small shops. **Betgate-K** can benefit manned operators by sharing workload.
